

# 10<sup>th</sup> International Congress for Applied Mineralogy

## COMMITTEES

The Organizing Committee of the 10<sup>th</sup> International Congress for Applied Mineralogy (ICAM) has been constituted as follows:  
Dr. Jan Cramer, Geological Survey of Norway (NGU): committee chairman  
Dr. Maarten ATM Broekmans, Geological Survey of Norway (NGU)  
Prof.dr. Børge J Wigum, Norwegian University for Science and Technology (NTNU) / Mannvit.is

The Scientific Committee of the 10<sup>th</sup> International Congress for Applied Mineralogy (ICAM) has been constituted as follows:  
Dr. Maarten ATM Broekmans, Geological Survey of Norway (NGU): congress president & editor-in-chief  
Prof.dr. Nigel J Cook, University of Oslo (UiO)  
Dr. Ton AJT van Helvoort, Norwegian University for Science and Technology (NTNU)  
Dr. Axel Müller, Geological Survey of Norway (NGU)  
Mr. Are Korneliussen, Geological Survey of Norway (NGU)  
Prof.dr. Elen Roaldset, University of Oslo/Natural History Museum (UiO/NHM)  
Dr. Casper van der Eijk, SINTEF  
Prof.dr. Børge J Wigum, Norwegian University for Science and Technology (NTNU) / Mannvit.is

## CONGRESS THEMES

10<sup>th</sup> ICAM congress themes will include:

- Advanced materials including high-performance technical ceramics and glasses
- Analytical techniques, instrumentation and automation
- Bio-mimetic minerals/materials and medical mineralogy
- Construction materials including cement/SCMs, concrete, bricks, tiles, screeds
- Cultural heritage, stone artifacts and preservation
- Environment and energy mineralogy
- Geometallurgy and process mineralogy
- Industrial minerals including gems, ore minerals, and mineral exploration
- Oil and gas reservoirs, including gas hydrates/clathrates

## TENTATIVE TIME LINE

January 2009: constitution definitive committees  
Medio 2009: First Circular  
Fall 2009: website online with preliminary congress info  
January 2010: Second Circular & Call for Papers  
Medio 2010: submission of Preliminary Abstracts  
Fall 2010: acceptance notifications Preliminary Abstracts  
Late 2010: Third Circular & Early Registration  
January 2011: initial peer reviews completed  
March 2011: submission of final manuscripts  
May 2011: production of proceedings  
August 2011: 10<sup>th</sup> ICAM congress

## OFFICIAL CONGRESS WEBSITE

The official 10<sup>th</sup> ICAM website is now open. Please check back regularly for

updates and register your address on our mailinglist at: [www.icam2011.org](http://www.icam2011.org)
